JAN 14, 2010

TO ALL FOOTBALL COACHES AND SUPPORT PERSONNEL

After Consulting with my doctors and family I have decided I should resign as coach of the Thoroughbreds.

I face an extended period of cardiac rehab to regain my strength. In talking to others who have had similar surgery they informed me it would take six months to a year.

I don't think this would be fair to the young men in our program. Thank you for the service you have given to our program. MR Noll assured me he would be talking to you in the near future

Thanks Again,

Bob Schneider

### TO ALL FOOTBALL COACHES AND SUPPORT PERSONNEL

After Consulting with my doctors and family I have decided I should resign as coach of the Thoroughbreds.

I face an extended period of cardiac rehab to regain my strength. In talking to others who have had similar surgery they informed me it would take six months to a year.

I don't think this would be fair to the young men in our program. Thank you for the service you have given to our program. MR Noll assured me he would be talking to you in the near future

Thanks Again,  
Bob Schneider
