RE: Nomination of Roy Turley

Dear Sir,

Attached is the completed nomination form for Roy Turley into the Dawahares/KHSAA Hall of Fame.

Roy and I had worked together on the same football crew until he retired after the 2001 season. Roy had planned an earlier retirement from football, but stayed after our referee, Stan South unexpectedly passed away in July, 1998. I became the referee and asked Roy to remain in order to help me through the transition to the referee position. Roy stayed until after the 2001 season. This is the type person Roy Turley is every day.

Roy wants to help people, whether it is his 4H kids, football crew, or anyone else who is in contact with him. Some people may say the word "No" is not in his vocabulary, but the words, "Yes, when do I need to be there?" is a bigger part of his life. More than once Roy has told me: "Rick, It is for the kids." This is Roy Turley.

Thank you for considering this nomination.
