Please list any other factors about this individual that you would like for the Screening or Selection Committees to consider.

Anthony furthered his basketball career at the University of Kentucky where he led the Cats as their starting point guard to two NCAA Championship games, winning the 1996 Championship. Coach Pitino was quoted as saying that Epps was the glue that kept the team together and without him they would not have won the championship. He returned to Marion Co where he did stints as the head coach for both the boys and girls basketball programs. In 2013 he was an assistant coach for the Lady Knights who went 40-0 and won the KHSAA State Championship. His daughter, Makayla Epps, was the starting point guard for the champions and she also went on to have a stellar career at the University of Kentucky. In 2014 Anthony joined me at Campbellsville High School as an assistant. In 2015 he took over the girls program and led the Lady Eagles to district championship, the first in 16 years. Last spring Anthony was named as the new head coach for the Campbellsville HS Boys Basketball.
