**Primary Accomplishments as an official**

2008 Finalist for state KHSAA Basketball Official of the year (most commonly known as Glenn Napier) and attended the banquet, officiated the KHSAA state basketball sweet 16 tournaments and boys championship games back to back in 2006 and 2007, and officiated the boys football state finals in 2010. 14th region official of the year and Charlie Duncil Award in 2006. He also officiated the girls state tournaments at WKU and the boys state All A tournaments at EKU, but uncertain of exact years.

**Please summarize this person's accomplishments as a coach, player, official or contributor at the high school level in Kentucky.**

I would estimate that Glenn officiated approximately 20 years. He officiated elementary, middle, and high school basketball, football, and some high school baseball. He was widely touted by his assigning secretaries and fellow officials as "one of the best to ever put on the stripes." He was a 2008 finalist for state KHSAA basketball official of the year, officiated the boys state basketball sweet 16 tournaments in 2006 and 2007, the boys state football finals in 2010, won the 14th Region Official of the year and Charlie Duncil Award in 2006, and officiated the girls state basketball tournaments and boys state All A tournaments over the course of his career.

**Please list any other factors about this individual that you would like for the Screening or Selection Committees to consider.**

Glenn was an amazing high school athlete at MC Napier High School where he was and is still touted as one of the best high school basketball players to come out of the 14th region. He played basketball, baseball, and did some track and field. He graduated from MC Napier in 1978 and was highly recruited and named on many all-state teams/honorable mentions as a player for MC Napier. He went on to play at Morehead State University as both a basketball and baseball player and is in the Athletic Hall of Fame there for basketball. He once held the streak and national record in college for most consecutive free throws made and was a long range shooter. After college, he began coaching both high school basketball and baseball, working at Dilce Combs High School as a head basketball coach, before coming to Breathitt County and coaching basketball and baseball, before officiating an estimated 20 years.
