Due to segregation and discrimination in the 1936 – 1957 era. *of The Kentucky High School Athletic League/East-41. Region 3.

The Athletes themselves, got very little or no Public recognition, beyond Game box scores, few articles or picture coverage. Lots of statistical records did not reach The Local News Papers, Sports Reports- were not offered to the general Public. In the transitions of time, some information was mis-placed or lost. Some of the information concerning: Welmon Britt, Jr. and Joe Louis Daniel, was gathered from *few old Sports Clips, articles and mainly Oral History- from some of the *Living-Players, who played in The KHSAL –E-41. *in the 1940's - 1950's era. — Joseph Samuel Oumby,

I couldn't have got this info. on these Nominee(s) without the help of All.
