Hall of Fame Committee:

This letter is to recommend Mr. Tony Sapp from Maysville/Mason County for the KHSAA Hall of Fame. Tony was one of the most dedicated supporters to Mason County Athletics as well as the 10th Region. Tony was the long-time bookkeeper for both the girls' and boys' basketball teams over the course of 30 years. He also did countless regional basketball tournaments at historic Mason County Fieldhouse during his life.

Tony enjoyed and valued history and records in the area. He put together record books not only for Mason County Athletics, but for a dozen teams in the area. His commitment to HS sports in the Maysville/10th Region area is second to none. This impact will carry on for many generations to come.

While Tony is no longer with us, he left an impactful presence and would be a great representation to be included in the Hall of Fame.

If you have any questions regarding Tony, do not hesitate to contact me at kellywells@upike.edu or 606-205-8661.

Sincerely,

R. Kelly Wells
UPIKE Athletic Director
