Please list any other factors about this individual that you would like for the Screening or Selection Committees to consider.

Harold lived and breathed KHSAA Sports. It was in his blood, and I'm positive most of you know this. I'm sure many of you have shared conversations with Harold, and had a laugh with him. He was a big supporter of the KHSAA and the people involved with it.

When Covid came around and numbers were being limited in the gyms. Harold along with Hometown24 would once again be innovative. We would still bring coverage and exposure to the athletes of the 14th Region, but we would do it differently. We would send one employee to the gym with the camera and shoot the video back to the station, as Harold would call the game remotely. It was torture for Harold to not be there in person, but he understood the safety of the kids came first.
