

After 22 years as the most successful softball coach in the state of ky and possibly the most successful in all sports, It is my great privilege to dedicate this years fall sports program to Coach George Randolph!

Coach Randolph OCHS softball won 5 State Championships, 4 Runner up trophies, 1 third place and 2 fourth place. One of which happened this season which became their 17th regional championship -- that included 42 straight regional wins. His teams compiled a 67 win and only 28 losses record in state tournament play.

He and his teams have the most wins (678) and the best winning % (78%) of any program in the state. This Catholic High softball dynasty is without a doubt one of the most impressive feats in all of high school sports in the state of Ky.

Coach George has touched the life of not only his players, but all the students of OCHS and he has been a great ambassador and model for the school on and off the field.

Former principal Harold staples says, “ he is one of the most proudest hires he ever made,, Sherry Orth, religion chair says “ there is no one who has a greater love for OCHS.

Coach George, on behalf of all the players, students, parents staff and alumni, we would like to say congratulations and THANKS for a job well done.

Coach George is joined tonight with his wife Pam, sons jared, and Jacob and daughter Olivia.

Again, let have a big round of applause for coach George R..
