Lexington, Kentucky

April 6, 1977

Dear Principal:

At the April 15, 1977 meeting, the K.H.S.A.A. Board of Control voted to continue to provide catastrophe injury insurance for all high school athletes for 1977-78.

Briefly stated, the K.H.S.A.A. catastrophe plan contains the following provisions:

1. \$1,000 deductible clause;
2. Up to \$25,000 in medical benefits per injury (after the deductible has been satisfied and after the benefits from all other insurance has been considered);
3. Coverage for students engaging in, practicing for, or traveling to or from, all activities under the jurisdiction of the K.H.S.A.A. and the direct supervision of a school employee;
4. Coverage for all registered officials of the K.H.S.A.A., while officiating, or traveling to or from the game they are to officiate;
5. Coverage for medical expense incurred within two years following the date of injury;
6. The deductible is eliminated for injuries sustained during a state series of tournaments or meets.

The plan is underwritten by Sentry Life Insurance Company and is administered by Doug Ruedlinger, Inc. If you desire additional information, we suggest you write our catastrophe insurance consultant, Mr. John Joy, P.O. Box 3194, Johnson City, Tenn., or call him, 615-928-7381.

Several plans are available to supplement the K.H.S.A.A. catastrophe program. The K.H.S.A.A. Board of Control does not sponsor, recommend, or require any school system to purchase or make available any type of athletic insurance within their school district.

Sincerely,

Tom Mills
Commissioner
