

I am honored to nominate and recommend Jaree Sawyers for induction into the Kentucky High School Athletic Association Hall of Fame.

As a past two term board of control member, I am aware of the criteria for induction. Jaree's resume' is outstanding. Her accomplishments as a student-athlete at Corbin High School surpass the selection criteria. Likewise, her continuation as a student-athlete at Eastern Kentucky University is exceptional. Specifically, the accolades she achieved at each level indicate her commitment to not only being the best student-athlete individually, but providing the leadership for each of her respective teams to excel.

I am confident she will historically be included in the conversation of exceptional women student-athletes at Corbin High School and women student-athletes in the thirteenth region. My confidence extends to those women student-athletes at Eastern Kentucky University.

On a personal note, if I may — I, too am a Corbin High School graduate — her dad and I were in the same CHS graduating class and Redhound football players. Her family understands the pride being a complete

student-athlete. This pride and desire for excellence was evident during her career at both CHS and ECU.

Again, I am honored and pleased to nominate and recommend Jaree Sawyers for induction into the Kentucky High School Athletic Association Hall of Fame.
