

Anderson County Bearcats

Head Coach
David Buchanan

October 26, 2026

KHSAA Hall of Fame Committee-

It is an honor for me to recommend Kevin Wallace for the KHSAA Hall of Fame.

The record, wins and state titles at more than one HS, speak for themselves.

His impact on young people is immeasurable. His influence and incredible, high quality hard work made KY HS Football much better.

In the fall of 2022, I was an analyst for Kevin. It was a tough year for me, the only year between now and 1992 that I was not the head coach of a football team. Kevin was a huge source of encouragement for me. I am a much better football coach, today, because I was able to work for him for a season and see how he ran a football program. It was beyond impressive. His level of organization, leadership, ability to form relationships, and knowledge of football were elite. It was incredibly to see ONE person be able to check all four boxes at 10 out of 10.

Kevin Wallace is a slam-dunk Hall of Famer.

Sincerely,

David Buchanan
