### **1. Nomination Categories**

Individuals may be nominated representing four categories. The categories of Athlete, Coach, Official and Contributor are included on the nomination form for expediency in understanding the primary area in which an individual is to be considered for one's achievements in interscholastic athletics. The grouping is for screening purposes to assist those making the nominations in understanding the type of information required.

- a) **Athlete**: A former high school athlete whose achievements as a high school athlete were extraordinary and merit statewide recognition. Such athlete shall have completed high school eligibility in all sports at least ten years prior to being eligible for nomination. Athletes who are being nominated are to be considered solely for their achievements in interscholastic athletics in this state.
- b) **Coach**: A current (age 65 or over) coach whose accomplishments as a high school coach merit state recognition or former high school coach who has been inactive as a coach for a minimum of three school years whose accomplishments as a high school coach merit statewide recognition. Coaches would be considered on the merits of their high school coaching achievements alone.
- c) **Contest Official**: A former high school contest official whose contributions as a high school contest official merit statewide recognition. Contest officials are to be considered solely on the basis of their service as a high school official.
- d) **Contributor**: An individual who has made outstanding contributions to interscholastic athletics on a statewide scale in some capacity other than Athlete, Coach and/or Official, including such areas as athletic administration, state association administration, sports medicine and sports media.
