Re: Hall of Fame Nomination  
Bob Stacey

I am pleased to endorse the nomination of Bob Stacey for induction into the KHSAA Hall of Fame. I've known Bob for about twenty years and have observed him in his role as coach and official. He is a first rate official and meet manager, and his coaching record speaks for its self.

More importantly, I've watched Bob work with the kids at Fairview and marvel at the respect the athletes give him. You can detect a real admiration for Bob. We've roomed together probably a hundred times and listened to him discussing practice and the team with his daughter, Becca. That's quite a legacy.

Thank you for your consideration of Bob. He would be a great addition to the HOF. I look forward to attending Bob's installation in the Hall in the future.

If you have any questions, or require additional information, please feel free to contact me.

Sincerely,

Doug Allen
