Subject: Nomination of Littleton Ward for Induction into the Dawahares/KHSAA Hall Of Fame

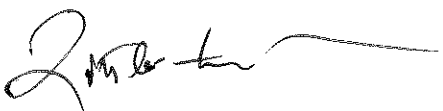

After finishing a successful High School Athletic Career and college career, I am intrigued to become a member of the Dawahares/KHSAA Hall of Fame Family. I earned All-City Honors as running back and defensive back in 1991 & 1992 at Bryan Station High School. More importantly, I was a two sport All-State Athlete at Bryan Station High School in football and track & field from 1990-1992. I was also voted Honorable-Mention All-American my senior year in football.

Furthermore, Bryan Station High School did not have a Playoff Berth since 1982. I was a part of a core group of football players on the 1992 Bryan Station High School Football Team to steam roll the program back to playoff status after a 10 year drought of mediocre success. Our 1992 Bryan Station Football team was ranked tops in the State of Kentucky that year. We won the District Championship and made it to the 3rd round Regional finals of the Playoffs before being defeated by Boone County HS.

I transferred my athletic career to the University of Kentucky after high school graduation. I earned a full-scholarship to play football for Bill Curry from 1993-1996. I finished my career at the University of Kentucky playing football under Hal Mumme in 1997. Committee Members, I am an upstanding citizen and contributed to the state of Kentucky Athletic Programs in a positive and productive manner as a High School Student Athlete and College Student Athlete. Please consider my nomination to be a part of your prestigious family

Sincerely,

Littleton G. Ward
