1. Nomination Categories

Individuals may be nominated representing four categories. The categories of Athlete, Coach, Official and Contributor are included on the nomination form for expediency in understanding the primary area in which an individual is to be considered for one's achievements in interscholastic athletics. The grouping is for screening purposes to assist those making the nominations in understanding the type of information required.

- a) Athlete: A former high school athlete whose achievements as a high school athlete were extraordinary and merit statewide recognition. Such athlete shall have completed high school eligibility in all sports at least ten years prior to being eligible for nomination. Athletes who are being nominated are to be considered solely for their achievements in interscholastic athletics in this state.
- b) Coach: A current (age 65 or over) coach whose accomplishments as a high school coach merit state recognition or former high school coach who has been inactive as a coach for a minimum of three school years whose accomplishments as a high school coach merit statewide recognition. - d) Contributor: An individual who has made outstanding contributions to interscholastic athletics on a statewide scale in some capacity other than Athlete, Coach and/or Official, including such areas as athletic administration, state association administration, sports medicine and sports media.

Please list any other factors about this individual that you would like for the Hall of Fame Committee to consider.

Dear Committee,
 Please consider this as a letter of recommendation from myself on behalf of nomination for Sam Harp into the KHSAA hall of fame as a football coach. As you can see from the list above Coach Harp has quite a distinguished list of accomplishments. But what is even more impressive is that he is a greater person than he is a coach. I got into coaching because of Coach Harp. He had an incredible impact on me at Anderson Co. HS from 1985-87. He took the time to encourage me and made me believe in myself. Outside of my wife, my mother and my father, I do not believe any one else has had as profound an impact on me as Coach Harp. I wanted to get into the coaching profession and hopefully have a positive impact on other young people like he has me. Over the years he has been an incredible mentor for me in the coaching profession and has continued his encouragement. Also over the years I have run into a number of people who have played for Coach Harp and they have felt the same way I have about his positive impact on their lives. Thank you very much for your time and consideration for Coach Harp.
