The Kentucky High School Athletic Association continues to strive to provide an accurate records listing. With the help of its member schools, fans and members of the media, we have been able to compile the following listing. State football records are published on the KHSAA website (www.khsaa.org) prior to the upcoming football season. Member schools are asked for their help in additions, corrections, etc. If you know of a correction or addition that has been omitted, please don't take offense, but help us out. Simply contact Joe Angolia, KHSAA Communications Director at (502) 299-3472 or e-mail at jangolia@khsaa.org to inquire about the procedure for providing information on a listing. When referencing a "State Record", please remember that the top mark in each category is the best performance that the KHSAA has on file. Thanks for your help and interest in Kentucky High School Football.

ATTN: Nominations

Dear Sirs or Madams

I am writing this letter in reference to the nomination of Mr. Chris Redman to the Kentucky High School Athletic Hall of Fame.

It has been great knowing Chris Redman since he was thirteen years old. My first contact with Chris was when he was playing quarterback for Jefferson County Traditional Middle school's football team. As a coach on that team I saw his dedication and willingness to the game of football. When in championship game, Chris broke his right hand, I had to take him out and have his family take him to the emergency room. He had kept playing, taking the snap with his left hand and would have finished the game if not taken out.

This attitude of toughness and character carried Chris through High School, College and Professional Football. Having set numerous State High School Football records. Chris always maintained a humble, tough and achieving attitude.

You all know what his performance has been in the high school, college and professional arena. His forthcoming induction to the ACC Athletic Hall of Fall emphasizes his need to be recognized by the Kentucky High School Athletic Association Athletic Hall of Fame.

If you wish to discuss my nomination further or any other aspects of it, please contact me. My e-mail is mike.stammerman@jefferson.kyschools.us or call my home @ (502) 499-9476.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Stammerman". The signature is fluid and cursive, with a large initial "M" and "S".

KHSAA Hall of Fame Committee,

My name is Curtis Higgins, and I am currently the Principal at Hopkinsville High School where I was hired in July of 2013. I coached several sports during my teaching career including 28 years of high school football in the state of Kentucky. I spent 12 years as an Assistant Football Coach at Waggener High School, South Oldham High School and Male High School. Eight of those years under the direction of Coach Bobby Redman at both Waggener and Male High Schools. I spent 16 years as a Head Football Coach in Kentucky with stops at Oldham County, Trigg County and Fern Creek High Schools.

I believe that Jefferson County has never seen a greater football coach than Bobby Redman and I also believe that Jefferson County has never seen a better Quarterback than his son, Chris Redman. As a member of the Kentucky High School Athletic Association, I would like to take this opportunity to nominate both of these gentlemen into our KHSAA Hall of Fame.

Chris Redman was a Quarterback at Male HS from 1991-1994. He started at the position for three years and led the Bulldogs to a State Championship in 1993. He set National Records in 1994 for most TD Passes in a Season (57) and most TD passes in a half (8) twice. His team was 12-1 his senior year and lost to St. Xavier in the Regional final and he was named Parade Magazine's National Player of the Year. Chris continued his collegiate career as a Quarterback at the University of Louisville, where he became the third most prolific passer in NCAA history when he completed his career. After his career at Louisville, Chris was drafted in the 3rd round by the Baltimore Ravens, where he won a Super Bowl ring in his first season as a back-up Quarterback. Chris played for 10 seasons in the NFL over the next 11 seasons and ended his career at Atlanta in 2012.

Bobby Redman is the winningest coach in Jefferson County Public school history with 317 wins. He is one of only seven coaches in the state of Kentucky to win more than 300 games. He accomplished this task while leading Durrett, Ballard, Waggener and Male High Schools. Three of those schools played in the same district as either Trinity or St. Xavier High Schools, both Catholic private school powerhouses. He won 3 State Championships and was State Runner-up twice at Male High School during his 18 years. He was State Runner-up once at Ballard High School in 10 years. As a head coach, Coach Redman averaged over 9 wins per season and just 3 losses. His record versus Saint Xavier and Trinity High Schools will never be matched with 18 wins against the two schools in 30 of his 35 seasons as a head coach.

I hope that you will induct both of these athletic legends into our KHSAA Hall of Fame, they are both well deserving and the elite of Jefferson County public school football history.

Sincerely,

A handwritten signature in black ink, appearing to read 'Curtis Higgins', is written over a white background.
