

AUGUSTA INDEPENDENT SCHOOL
ATHLETIC DEPARTMENT

207 Bracken Street
Augusta, KY 41002
(606)756-2105

To Whom It May Concern:

I am writing to nominate Brian Flaughter as a contributor for the Induction Class of 2016-2017 to the Dawhares/KHSAA Hall of Fame. As a former player and Head Coach of women's basketball in the 10th Region and currently serving as the Athletic Director, I have personally witnessed the amount of dedication, commitment & devotion to the Augusta Athletic Department that Brian possess each and every year regardless of the level of play or sport.

Brian truly loves the Augusta Athletic Department and has devoted over forty years to keeping the score book for basketball and baseball games while maintaining the same amount of pride, love, excitement etc. as when he first became such an integral part of our department. The amount of time that Brian has volunteered throughout the years and never once been paid has landed him a few well deserved accolades. In 2003 Brian was elected to the Boys 10th Region Hall of Fame and in 2004 the Girls 10^h Region honored him with his 2nd Hall of Fame selection. This past summer, Brian was also inducted into the Northern Kentucky Sports Hall of Fame. There is no one more deserving of such honors as Brian and I believe that he would be a phenomenal member of the 2016-2017 Dawhares/KHSAA Hall of Fame.

Sincerely,

A handwritten signature in black ink that reads "Rebecca L. Arnold".

To Whom It May Concern:

I would like to recommend Brian Flaughner as a candidate for the KHSAA Hall of Fame. Brian has been the book keeper at Augusta High School since 1975. While I was head coach at Augusta, 1986-1990, Brian dutifully filled that role with pride and diligence. He faithfully attended both home and away games assuring the "book" was proficiently kept.

Brian has done an outstanding job since 1975. For over 40 years, Brian has devoted not only his time, but also enthusiasm - which are amazing. But if you know Brian, it is not anything spectacular in his eyes. He keeps that book for one reason and one reason only, he loves the Augusta High School community and everyone involved with it. Can you imagine riding a school bus all winter for the last 40 years? Can you imagine how many different head coaches he has had to work with? Can you imagine how many kids he has helped?

I believe Brian is the exact type of person that should be in the KHSAA Hall of Fame. Service to your community and the people that live there is one of the best qualities a person can have in this life. It is better than 500 wins and state titles. Please consider Brian Flaughner for the KHSAA Hall of Fame.

Sincerely,

Steve Simpson
