

To Whom It May Concern,

I am writing this letter on behalf of Bobby McGrath's nomination to the KHSAA Hall of Fame. I feel certain my opinion that there is no one more deserving of this honor than Bobby is shared by many others. In his almost 50 years of service through officiating at various levels, high school, college and professional. For 35 years he served the KHSAA by officiating both football and basketball games during the regular season as well as earning the honor of officiating in many high school state championship games. As supervisor of college officials, he demonstrated dedication and leadership as well as serving as the assigning secretary for the 6<sup>th</sup> and 7<sup>th</sup> region officials. Bobby also officiated many college bowl games as well as NCAA basketball tournaments. He has achieved the highest accomplishment one could receive at the professional level. He spent 24 years on the field and in the replay. He has officiated in numerous playoff assignments, which include the prestigious assignment for Super Bowl 43. He is well respected by both coaches and officials at all levels and his integrity is beyond reproach. I appreciate the honor of being asked to recommend a man I admire who has dedicated his life to high school, college and professional athletes nationwide.

Thank You

Stan Hardin
