Good Morning Julian,

I hope all is well. Did you get to watch the UK baseball games? I was at the Governor's Cup Reception Monday night and could not make it over. Tickets are already sold out here in Louisville. I'd rather just watch it on TV anyway. I completed the online Application for the Dawahares/KHSAA HOF nominating my brother Bob McGrath. However, since this needed to be completed ASAP I sent before I got letters of support from Stan Hardin and Oscar Brohm. Now, I'm looking on line to find out how to pull his application back up to upload letters of support. Can you help. I know your busy so maybe you can direct me to a person who can help.

As I mentioned in my last note I would be honored to help you with the Officiate Kentucky Day. I'm already on the agenda for a one hour speech for the Sports Officiating Summit. Just let me know where I can help.
Johnny

John

Great to hear from you. Bobby is certainly merited, and should be nominated both as a player and a contributor. The form is online, and most of what is needed you should have (birthday, achievements, etc.) The form is at <http://khsaa.org/hf101-application-for-dawahareskhsaa-hall-of-fame/>, let either myself or Joe Angolia know if you have trouble. The process is near completed for the 2018 class, but getting it in early and comprehensively will help. The form also allows for backup documents (news clippings, etc.) to be uploaded as well so that the media and selection committee has everything they need to make a good decision once the process starts.

On a totally different subject, I know you are doing replay now. Can you check your schedule for Saturday, 7/29? I had wanted to include you in Officiate Kentucky Day, which we are hosting along with the NASO Summit at the Marriott in Louisville. You would be a dynamite help on the football side talking to so many of our young (and veteran) officials. Schedule is still fairly flexible, but we are needing you during the football breakout in the morning. Let me know if that has a shot.

Hello Julian,

I hope all is well. Congrats on bringing the KHSAA Football playoff to "KROGER FIELD". I hope I'm off that weekend and can attend. Anyway, I sent the below email to my friend and recent inductee to the KHSAA HOF asking for his support. I have absolutely no idea how to get a person considered. I know you've known Bobby for years. He's devoted many years to the KHSAA as a player and one of the BEST officials ever. How can I help get Bobby's name on a list for consideration? I do whatever I can to help. Johnny

Hello Oscar,

Again, congrats on your well-deserved and overdue induction into the KHSAA HOF. I would like your help in helping me get started with my brother Bob McGrath. He has now retired from the NFL after 24 very successful years. But, I think he has given so many years to the KHSAA that he should be considered to being included into their HOF.

- 1st Team All State at Flaget on their 1967 State Championship Team
- Played and excelled at football, basketball and baseball at Flaget
- 4 year starter at WKU and named a Little All American
- Officiated football and basketball in the KHSAA for 35 plus years
- Worked every BIG game in both sports
- Assigning secretary in the Louisville area for both football and basketball
- Supervisor of Officials in the Mid-South Conference.
- Officiated College football and basketball with several Bowl games and NCAA BBall assignments
- Officiated on the field and in Replay for the NFL for 24 years with several playoffs assignments and Super Bowl 43

Oscar, I'm sure many more. So, how can I get this process started? Your help is appreciated. Johnny
