The headquarters will be open Tuesday (7:00-4:30), Wednesday and Thursday morning. All issuing of credentials on Wednesday and Thursday will take place at Entrance 3 (Media Will Call) at Diddle Arena. Credentials will not be issued at Headquarters after Tuesday.

**TITLE SPONSOR**

This is a reminder that Houchens Industries is the official title sponsor of the Girls' Tournament. Houchens is in the third year of a four year deal serving as the title sponsor. As part of its sponsorship, Houchens is providing receptions for the teams and the traveling parties in the Main Auxiliary Practice Gym at Diddle Arena. For teams playing in Wednesday's games, the reception is from 3-6 p.m. For teams playing in Thursday's games, the reception is from 3-6 p.m. Contact Shannon Hendrick of Houchens for more information.

Finally, please remember the official tournament reference is Houchens Industries/KHSAA Girls' Sweet 16® Tournament or Houchens/KHSAA Girls' Sweet 16® State Tournament and should be used by outlets credentialed by the KHSAA for the event. Simply referencing the event as the "Sweet 16®" is incorrect.

**MEDIA CREDENTIALS**

Credentials are issued in the person's name in which it was granted (photo identification required) and is valid for one day only. Media members will individually sign in at Media Will Call each day. Please notify tournament headquarters or a member of the tournament staff if there is a name change in a credential request.

**PRESS ROW - PHOTO PASSES**

**ABSOLUTELY** no cheering, coaching or clapping (or contesting officials' calls) will be permitted in working media areas. Those members violating this policy will lose all press row privileges.

Media credentials are non-transferable. Media members allowing children, students, acquaintances or non-working media members to utilize these passes will lose all media privileges to cover KHSAA events in the future.

**PHOTO GUIDELINES**

All still photographers/videographers must utilize the marked areas in the end zones and the sideline adjacent to press row from the bottom of the foul circle to the baseline. Photographers/videographers must stay seated on the floor. Please stay off the playing floor during timeouts. Team bench areas are off limits at all times.

No tripods are to be used in the arena during the games. Any use must be approved by Butch Cope, KHSAA Director of Promotions and Media Relations. Anyone wishing to attach a camera to the goal post **MUST** have prior approval from the KHSAA and Diddle Arena

No "flash" cameras may be used on floor level.

Television "live shots" are to be conducted prior to or at the conclusion of each session. **ABSOLUTELY NO MERCURY LIGHTS ARE TO BE POINTED IN THE DIRECTION OF THE PLAYING FLOOR FROM ANYWHERE WITHIN THE ARENA WHILE PLAY IS IN PROGRESS.**

**INTERVIEWS**

Lockerrooms and the back hallway are closed to the media during the tournament. Following a brief cooling off period after each game -- five minutes -- the winning coach and selected players will be escorted to the interview area. The losing coach and players will follow. TV stations wishing to do one-on-one interviews will be afforded the opportunity **AFTER** the coaches/players visit the media interview room. These should take place outside the player/coach entrance to the interview area.

ABSOLUTELY no interviews, especially radio, are to be conducted on the floor immediately following the conclusion of the game. All coaches/athletes MUST report to the interview area prior to doing any post game radio/TV interviews.

#### **WEEKLY PAPERS**

Due to space limitations, weekly papers are asked to rotate seating during games involving teams from their coverage area. A reserved press row seat for the entire tournament is not available to weekly media outlets. Four seats on press row will be marked "Weekly Papers". You may sit in these seats during your game, but to accommodate others, we ask that you return to the auxiliary seating

#### **NON-ORIGINATING RADIO**

Radio stations that are not originating a broadcast of the tournament are to utilize auxiliary press seating located in Section L. If this area is full, seating is available in the 300 Level Sections. There are no reserved seats for non-originating radio stations on press row.

#### **PARKING**

A limited number of parking passes are available on a first-come, first-serve basis for media outlets covering the entire event. With the construction of the new parking facility, surface lot space is a premium. Once the surface lot is full, the KHSAA-issued parking pass will admit you to the parking structure next to Diddle Arena.

#### **RESULTS**

Results including box score and play-by-play from each game will be available in the media work room. Results will also be available via the KHSAA internet site ([www.khsaa.org](http://www.khsaa.org)).

**Your team's accomplishment of advancing to the State Tournament:**  
 Beach Ball Champions LIT Champions 32nd District Champions 8th Region Champions #1 Scoring Team in Kentucky The good Lord has really blessed this team. We have played a tough schedule to better prepare us for March. I'm so proud of my girls. We work really hard in practice and take every practice and game, one at a time.

### Coach's Comments

**What are keys (players/offensive/defensive) to your team's success in winning the tournament:**  
 Anytime we walk onto the court, our "press" is the key. Our defense ignites our offense. Our overall team speed is strong, this is seen in our trademark full court pressing style of play. We have put more emphasis on our weight program throughout the season. Thus we have improved our speed and conditioning at all positions on the court. Our expectations have increased our team depth this season as well. We feel very comfortable going twelve deep into our bench on any given night if needed. Depth is always a key as the season grinds throughout late Febuary and into March. Our constant attacking press and high octane offense requires fresh legs during games, so productive depth is very important to our success.

She has accomplished a great challenge is helping these young and inexperienced players learn the game to advance as they have. We must continue to establish our solid defense early in the game and keep the opponent off of the offensive boards to be successful in the state tournament.</p>

**What are keys (players/offensive/defensive) to your team's success in winning the tournament:**  
 We have a very complete team with two great post players, outstanding guards, and a deep bench. We currently have four players averaging in double figures so offensively we have several players that can contribute on any given night. Defensively, we have excelled over the past month giving up an average of 34.6 points per game over our last eight games.

We had good senior leadership and were able to play an up-tempo pace. We forced many turnovers and were able to get the ball inside to Pam Bell.

 We have a very complete team with two great post players, outstanding guards, and a deep bench. We currently have four players averaging in double figures so offensively we have several players that can contribute on any given night. Defensively, we have excelled over the past month giving up an average of 34.6 points per game over our last eight games.

 People in our region would probably say our regional win was unexpected. We've played in the shadow of other teams in our region all year. We quietly came together and began playing our best basketball at the right time.

 The keys to our success has been our 4 seniors: Breann Akers, Kim Clark, Kristal Daniels, and Kristen Smith. As they go, our team goes. T
