GOING FOR A RECORD

After running off three consecutive undefeated seasons (15-0) and winning three state titles (AA in 1999 and 2000; AAA in 2001), the Boyle County Rebels started the 2002 season with an impressive 60-0 win over Bardstown in the Garnis Martin State Champion Bowl. The win increased the Rebels' win streak to 46 as they are now just five victories shy of setting a new state record for consecutive wins. Trinity currently owns the mark, running off 50 consecutive wins from 1988-91).

Following is a week-by-week breakdown of Boyle County's schedule as it eyes the record. If the Rebels continue their winning ways, they would play for the record at home against Marion County on Sept. 27. The Rebels last loss was a 28-13 decision at the hands of Lexington Catholic in the second round of the Class AA playoffs in 1998.

8/23 - at Bardstown - won, 60-0 (No. 46)

8/30 - at Henry Clay; 9/6 - Danville; 9/14 - Prestonsburg; 9/20 - at West Jessamine; 9/27 - Marion County

FOOTBALL ALIGNMENT

At its special meeting Monday, the Football Committee gave preliminary approval for the 2003-06 alignment to be sent to member schools. The alignment will be voted on by the full Board at its September meeting. Provisions of the alignment include using two-year average enrollment figures. A four-year average had been discussed, but the committee felt a two year figure was more indicative of enrollment.

In the event a school's enrollment after the first two years of the alignment increases or decreases by 5% percent (under the highest ranked school or over the lowest ranked school) the Board will act accordingly with new placement in the appropriate class. Should a school withdraw from district play, the school would not be eligible to re-enter district competition until the end of the classification period.

Member schools are being notified of the tentative alignment. The draft will be posted on the KHSAA website Tuesday afternoon for public view.
