### **FOOTBALL DISTRICT STANDINGS, PLAYOFF BRACKETS ADJUSTED**

KHSAA football district standings and playoff brackets that were posted on the KHSAA website on Saturday have been adjusted to reflect the current standings and first-round playoff matchups.

The standings were adjusted after Shawnee High School principal Keith Look self-reported a violation of Bylaw 25 (Limitation of Seasons). Shawnee's games against Fort Knox and Moore have been forfeited due to a lack of compliance with the 10-day practice requirement for players prior to participating in a varsity contest.

The forfeiture of a district contest to Moore created a three-way tie for second place in Class 3A, District 3. Following the application of a three-way tie-breaker for second place, the final standings are 1) Central, 2) Elizabethtown, 3) Shawnee and 4) Moore.

Per KHSAA policy, the Association will have no further comment on the matter. Please contact school personnel at Shawnee High School for further comments.

### **KHSAA CHAMPIONSHIP MEDIA CREDENTIAL REQUEST FORMS NOW ONLINE**

In an effort to make things more convenient for media members, the KHSAA has implemented a slight change in its credentialing process. Instead of mailing a hard copy of the credential request forms to each media outlet as was done in the past, credential forms have now been posted to the KHSAA website in both Microsoft Word and PDF formats.

Please download the form, fill it out and either fax or email it back to Marilyn Mitchell at (859) 293-5999 or [mmitchell@khsaa.org](mailto:mmitchell@khsaa.org). Currently the Fall Sports Championship and Commonwealth Gridiron Bowl (football) are available while the Winter Sports, Basketball, and Spring Sports will be posted soon. All outlets wishing to cover a KHSAA championship event **must submit a form**.
