

KHSAA BOYS' SOCCER STATE RECORDS (As of January 12, 2018)

The Kentucky High School Athletic Association continues to strive to provide the most accurate records listing. With the help of its member schools, fans and members of the media, we have been able to compile the following listing. State Soccer Records are published annually in the State Soccer Championship Program and are also available on the KHSAA Web Site (www.khsaa.org). Records are also given to coaches at the rules clinics. If you know of a correction or addition that has been omitted, please don't take offense, but help us out. Simply contact Joe Angolia, KHSAA Communications Director at (859) 299-5472 or e-mail at jangolia@khsaa.org to inquire about the procedure for providing information on a listing. There is a state records application form you linked on the KHSAA website that you may print out and complete and forward to the Association for consideration. When referencing a "State Record" please remember that the top mark in each category is the best performance that the KHSAA has on file. Thanks for your help and interest in Kentucky High School Soccer.

(Note: In 2005, the Association implemented a "mercy rule" of 9 goals at which time a game is over.)

The 1972-73 season marked the first year Soccer was a sanctioned sport by the KHSAA.

The championship was held in the fall during the 1972-73 and 1973-74 academic years, before moving to the spring for the 1974-75 season.

No state tournament was held during the 1976-77, 1977-78 and 1978-79 academic years due to low participation.

The championship was moved to the fall for the 1983-84 season.
