

Q4 NOTE: Nothing about the survey results is an indication of future action by the Board of Control with the exception of discussion, and nothing about the results compels the conducting of a championship event. Please indicate whether or not your school would be willing to enter a team (or individuals) in KHSAA Championship play if the KHSAA sponsored the sport. Based on responses, additional surveys may be needed to determine Boys, Girls and Combined Opportunities. This list is derived from the annual survey of states by the National Federation of High School Associations (NFHS)
