

## 2017-2018 KHSAA TRIENNIAL SURVEY RESULTS

280 Member Schools, 276 Responding Schools, Not Responding – Fulton County, Robertson County, Rose Hill Christian, Shawnee

### TRADITIONAL SPORTS AND SPORT-ACTIVITY RESPONSES

Responses to Question – Please indicate whether or not your school would be willing to enter a team (or individuals) in KHSAA Championship play IF the KHSAA sponsored the sport. This includes current sports and sport-activities you may be offering. Based on responses, additional surveys may be needed to determine Boys, Girls and Combined Opportunities. This list is derived from the annual survey of states by the National Federation of High School Associations (NFHS). NOTE: Nothing about the survey results is an indication of future action by the Board of Control with the exception of discussion, and nothing about the results compels the conducting of a championship event. Please also note that several are listed with multiple options to attempt to gather preferences within the membership.
