

Memorandum

To: State Association Executive Directors/Commissioners

From: Dr. Karissa Niehoff/Davis Whitfield

Subject: **Electronic Nomination System for NFHS Committee Vacancies - 2020**

Date: August 22, 2019

As we approach the upcoming Section meetings, one of our typical agenda items in each Section is to discuss future committee nominations - in this case, our 2020 committee nominations.

This communication is to inform you that the committee nomination process will again be completely electronic.

Attached is a list of vacancies for committee chairpersons as well as the committee vacancies for your particular Section. **Please remember that the NFHS and its member state associations promote diversity in regard to gender and ethnic representation on all sports and activities committees. In most cases, three nominations are requested - a minority, a female and a male.**

Attached are detailed instructions to submit your nominations, and we will be happy to answer any questions you may have at the Section meetings.
