2020 Soccer District/Regional Tournament Instructions

COVID-19 GUIDANCE

The KHSAA's complete "Healthy at Sports, Stage 3 - Performance, Return to Competition: Considerations for Fall Sports" document for soccer can be found at the following link: <https://bit.ly/305h2Cy>.

In addition to soccer specific guidance, this document includes guidance for all sports, officials and officiating, COVID-19 Medical Evaluation and Return-to-Play protocol, as well as the KHSAA's COVID-19 Return to Play Form. The information in this document should be thoroughly reviewed by all managers, participants and spectators attending a district or regional tournament.

Portions of the soccer specific section of the document are included below.

CROSS-REFERENCE TO OTHER GUIDANCE

While this section deals with sports-specific guidance, all involved in the athletic program are expected to reference all guidance standards, including the many that may be non-sports specific.

Guidance is broken into three areas:

- **REQUIRED** - These standards are required at all sanctioned contests.
- **RECOMMENDED** - These standards are best practices during all contests during the pandemic and are therefore recommended for all contests.
- **CONSIDER** - While these items are also best practices during this time, local site discretion should be exercised to determine if these items are practical and feasible for use at the contest.

These differences in the guidance are necessitated by the differences in sports, facilities, and geographic areas, which are pronounced during normal years, and magnified this school year.

SEASON LIMITATION AND CONTEST ADJUSTMENTS

The limit of matches for the season (not including postseason) is 14 with no more than three (3) matches in a given week.

The last official regular season contest can be held on October 10.

Postseason play is scheduled to begin October 12, with championship play currently scheduled to end the week of October 26.

All teams eliminated would be permitted to play additional contests before the week of the state championship provided teams don't exceed the contest limit.

ADMINISTRATIVE AND FIELD SETUP

Temporary restroom facilities may be used following the guidelines provided by the venue's local health department or other applicable local level guidelines. (CONSIDER)

Restrooms should be cleaned and disinfected frequently. (CONSIDER)

SOCCER BALLS AND SOCCER BALL CLEANING

All soccer balls should be regularly and routinely cleaned.

Balls should be managed by competent individuals who are capable of the rigors of keeping them sanitized without game delay.

The ball may be switched as often as can efficiently allow for sanitization and return, up to and including changing balls each dead ball.

There should be an attempt to keep at least three good game balls available, one in play, one being cleaned, and one ready for the next play.

Ball manufacturers suggest cleaning recommendations follow CDC, state, and local guidelines for health and safety and should not include bleach.

The following link provides common definitions for Sterilization, Disinfection, and Cleaning in Healthcare Facilities, but may be useful for one attempting to clean a ball (including; basketball, softball, football, soccer, volleyball, and baseball) with cover material made of leather, composite, or PU leather - <https://bit.ly/31qomK9>

To ensure applicable health and safety protocols, the user is responsible for determining the best method based on ball covering material, playing environment, and cleaning intervals.

Soap and Water Method

- Dirt and debris can be removed by using a damp cloth with soap and water, using moderate pressure.
- Be careful not to oversaturate the ball.

2020 Soccer District/Regional Tournament Instructions

- Allow to air dry.

Disinfecting Wipe Method

- Limited disinfecting may be achieved by using a disinfecting wipe and moderate pressure to wipe the entire surface of the ball.
- Be careful not to oversaturate the ball.
- Allow to air dry.

Select does not recommend using bleach and alcohol-based cleaning products, or excessively frequent cleanings, as those may degrade ball covering material and ball markings, and impact overall ball performance.

GAME-DAY SETUP

The home team should consider having ample sanitization supplies positioned around the field and ensure the balls are sanitized before the game, between each half (or quarter if applicable) and as needed. (RECOMMENDED)

Rosters are restricted to a limit of 24 players in uniform, participating in warm-ups and being in the team box during competition. (REQUIRED)

All non-uniformed team members who are not essential to game management shall be seated in the bleachers or general seating and able to socially distance from other groups. (REQUIRED)

Ball Holders shall exercise social distance at all times. (REQUIRED)

If cones are used for warm-ups, the coach/administer should be the only person to touch these items. (RECOMMENDED)

Consider not using pinnies during warmups/practice. (RECOMMENDED)

Should medical attention be required during the contest, people within 6 feet of an injured person should be limited to only medical personnel and/or a coach. (RECOMMENDED)

OFFICIATING (MECHANICS) (ADOPTED FOR 2020-21)

Rule 5-2-2d - Have the pregame conference at the center of the field and exercise social distance during the conference (no handshakes).

OFFICIATING (RULES) (ADOPTED FOR 2020-21)

Rule 3-3; 3-4 - Require all substitutes awaiting entry to observe social distance.

Rule 4-1 - Cloth mask/face covering is permitted for players (no color restrictions).

Rule 4-1 - Gloves are permitted for players (no color restrictions).

Rule 4-1-1 - Long pants are permitted for players.

Rule 4-1-1 - Long Sleeves are permitted for players.

Rule 4-1-1d - Undergarments are permitted, but must be the same solid color for the team.

At the published time, the Tournament Manager shall conduct an open meeting with all attending coaches and media for the purpose of discussion.

The use of a virtual meeting is permitted.

FUTURE DISTRICT/REGIONAL SITES

Tournament Managers should review the site selection schedule with all schools in the district or region at the pre-tournament meetings. A link to the current sites is included at the end of these instructions.

If changes or corrections are made to the site selection plans, use KHSAA Form GE57 (District) or GE58 (Region), which are included as links at the end of these instructions, and return it to the KHSAA immediately following the meeting.

Ensure potential sites under consideration meet the minimum facility requirements.

DISTRICT SEEDING PLANS

All decisions regarding tournament seeding must be made prior to the start of the regular season, including but not limited to, seeding method and criteria. Seeding methods shall be on file at the KHSAA.

Use Form GE54 (District Tournament Seeding Plan) that is available as a link at the end of this document.

Seeding decisions and methods shall remain in place until a majority vote of the participating schools rescind them.

If a vote is made to seed, the manager shall send the KHSAA a copy of the meeting minutes.

2020 Soccer District/Regional Tournament Instructions

District Tournament Managers should remind all schools in seeded districts that all games used in calculating the seeded position MUST be played on or before Wednesday, Oct. 7.

REGIONAL SEEDING PLANS

Details for regional tournament bracket placement are published within the KHSAA Competition Rules.

There are no changes to the procedure permitted at the local level.

ADMISSION OF PARTICIPANTS/TEAM PARTY AND LIMITATIONS

Teams may dress up to 24 individuals per match in the postseason. Those 24 may rotate between matches from the eligible members of the school's postseason roster.

Schools may not vote to alter the number that can dress for each match.

DEVELOPMENT OF INFO DOCUMENT FOR PARTICIPANTS

Develop an information document for participants, including the schedule of events, any on-site meeting information, site specifics and directions to the venue.

This document shall include any COVID-19 requirements or adjustments made for the event.

HOST SITE ADMINISTRATOR

The KHSAA requires a tournament administrator, other than the coach, at the host site.

Since the coach needs to devote full attention to the team, someone other than the coach must deal with any outside difficulties.

SIGNAGE, BALLOONS, NOISEMAKERS AND BAND PERFORMANCES

Signs/banners are permitted at the facility but must be of good taste and sportsmanship.

The signs/banners must be handheld or attached in a manner not to damage the existing structure.

The signs/banner shall not cover any corporate signage or obstruct the view of patrons.

Amplified noisemakers or items that replicate game management cues are not permitted inside the facility. These items include, but are not limited to: air horns, electronic amplifiers, portable sound systems, instruments that require additional electricity, game clock horns and whistles.

Artificial noisemakers (non-mechanical and non-powered) are permitted provided they do not interfere with game administration, however, the admittance of the items is a venue specific decision.

Balloons, which can block the view of other patrons, are not permitted at the event.

Only venue provided amplified music and band performances are permissible, but only during pregame, natural and planned breaks/timeouts and when the clock is stopped and the ball is not in play.

The admission of school pep bands is a local decision.

ENTRY, ROSTERS, DRAW, FORMAT

TOURNAMENT ENTRY

All eligible teams participate in a district tournament.

The winner and runner-up from each district advance to a regional tournament.

POSTSEASON ROSTERS

Postseason participants must be designated from the freshmen, junior varsity or varsity rosters, which are maintained through the KHSAA member school website throughout the regular season.

Roster revisions must be made before the first date of the postseason when online rosters are closed and considered final.

Schools must log into the KHSAA website and designate their postseason roster, which is separate from the regular-season varsity roster.

Only players appearing on the school's postseason roster as of the first date of the postseason are eligible to participate in any round. No additional players may be added to the roster following that deadline, including those teams that advance to the state tournament.

The online, postseason roster may be printed from the KHSAA website as the valid listing of available players.

This roster information is also used for advance preparations for state qualifying teams.

LIMITATIONS AND SUBSTITUTIONS

Teams may dress a maximum of 24 players per contest.

Those 24 selected can rotate each match as long as they appear on the postseason roster.

No other players outside of the 24 designated as eligible for each match may be in uniform.

- There is no procedure of possibility to waive this requirement.

All non-uniformed team members who are not essential to game management shall be seated in the bleachers or general seating and able to socially distance from other groups.

PROCEDURES FOR DISTRICT TOURNAMENT DRAW

Each district shall draw or place seeded teams into the appropriate bracket depending upon how many teams are in the district according to the KHSAA Competition Rules.

The District Manager is to email the bracket to the KHSAA (brackets@khsaa.org) immediately following the draw.

The team in the upper half of the bracket in a non-seeded tournament will be the home team, and will wear dark jerseys and socks.

If a tournament is seeded, the highest seed shall be the home team.

PROCEDURES FOR REGIONAL TOURNAMENT DRAW

Review the Competition Rules concerning regional drawings.

2020 Soccer District/Regional Tournament Instructions

The Region Manager is to email the bracket to brackets@khsaa.org immediately following the draw.

MINIMUM TIME BETWEEN CONTESTS - COVID-19 GUIDANCE

As KHSAA staff continually reviews public health data, consults with the Department for Public Health, and refers to their own "Healthy at Sports" guidance document, a standard minimum time between the start of contests at the district and regional postseason events has been established. These minimum times and spacing guidelines will also be utilized in planning KHSAA State Championship Events.

Per the KHSAA's "Healthy at Sports" guidance document, in events where more than two schools are involved, it is required for there to be time between contests for egress of fans and participants, sanitization of equipment and restrooms, and ingress of the teams for the next game.

When developing brackets for soccer, there should be a minimum of two and a half hours between the start of contests being held on the same day. For example, if the first match of a district tournament doubleheader is scheduled for 5 p.m., the second match should not be scheduled to begin until at least 7:30 p.m.

District and Region Managers are reminded to send their completed brackets, following the requirements described above, to brackets@khsaa.org.

POINTS OF EMPHASIS

FORMAT OF EVENT

District and Regional Tournaments are single-elimination events and NFHS playing rules will be used without exception.

FIELD SPECIFICATIONS

Prepare the facility for tournament play, making sure to use the proper specifications set forth in the NFHS Soccer Rules Book.

Ensure that the Minimum Facility Requirements, as set by the KHSAA Board of Control for each level of the postseason, are met by the site. A link to the minimum requirements is included at the end of these instructions.

REQUIRED BALL TYPE

The Select Royale with the National Federation authenticating mark displayed is the official ball for all rounds of the postseason.

Use of any other game ball is contractually prohibited by the KHSAA and will subject the tournament and its participants to possible penalties.

Schools or the site may provide balls for warm-up that are not the official brand or model, but once play begins, game balls must be the Select Royale with the NFHS authenticating mark.

BALL CHASERS

A minimum of two (2) ball chasers must be used for each game and should be identified before kickoff.

- It is recommended that each participating team provide at least one (1) ball chaser to not disrupt the flow of the action.

CONTEST COMPLETION REMINDER

Every contest must have a winner.

Games tied at the end of regulation time will continue with two sudden-victory overtime periods.

There shall be a two (2) minute break between the overtime periods, if necessary.

If sudden victory is not reached after two overtime periods, the contest will be decided by penalty kicks.

A detailed copy of the tie-break procedure can be found in the KHSAA Competition Rules.

PROCEDURE FOR GETTING OFFICIALS AND FEES

The regional/local officials' association that services the District and Region Tournament hosts will assign the respective officials.

- Tournament Managers shall work with the assigning secretary to schedule officials for the tournament.
 - o A listing of assigning secretaries can be found on the KHSAA website and is included as a link at the end of these instructions.
 - o Contact your assigner immediately with tournament information, schedules and needs.

2020 Soccer District/Regional Tournament Instructions

For a district contest, the referee and assistant referees shall be paid a flat fee of \$65.

For a region contest, the referee and assistant referees shall be paid a flat fee of \$75.

A licensed fourth official shall be used for each regional contest and be paid a flat fee of \$52.50.

The use of a licensed fourth official is optional at the district tournament.

- No mileage expenses will be added for any official.

BYLAW 22 REMINDER

REQUIREMENT TO ACCOMPANY TEAM MEMBERS

You are reminded that KHSAA Bylaw 22 requires a principal, coach or another approved individual of the school to be present along with any student-athlete who is representing a member school. A pertinent section of the bylaw is included below.

BYLAW 22, SECTION 8

"The principal, coach or another individual approved by the local Board of Education shall accompany the team to all contests and his or her expenses, when he or she accompanies the contestants, shall be paid in the same manner as those of the contestants. Individuals fulfilling this requirement shall adhere to the requirements of KRS 161.185."

SECURITY

It is the responsibility of the Tournament Manager to secure adequate police protection and other security precautions as necessary.

While many schools have adequate measures in place regarding safety and security at athletic contests, all members are reminded of the importance of this provision.

The National Federation continues to remind all state associations of the importance of member schools understanding the necessity for adequate security.

Crowd control is important and we ask schools to take every precaution to protect the participants, officials and general public. The Tournament Manager should ensure the supervision of fans, watching for inappropriate behavior. During sportsmanship announcements, remind fans that foul language and harassment of officials is strictly prohibited.

Ensure that fans are not allowed to be within 10 yards of the soccer field unless there is a fence or other natural barrier.

After the game, have the officials escorted to the locker room and/or parking lot.

While acknowledging the expense of security, it is noted that this should be an integral part of your planning process and is a KHSAA requirement at postseason contests.

MEDICAL PROVISIONS

The host school is responsible for securing medical coverage for the event, including athletic trainers and alerting local ambulance service to serve in an on-call status if such cannot be present at the competition site.

It is strongly recommended that the authorized medical coverage be staffed by individuals who can determine whether or not a suspected concussion has occurred per 160.445(3)(a) and the KHSAA Board of Control policies, page 10 of the document.

Any fees associated with providing medical coverage should be taken from gate receipts, or shared as an expense by the participating schools, prior to any distribution.

There is no requirement that an ambulance be on site for all play, however the local administering agency shall be notified in advance and placed "on call" if an ambulance is not available on site.

The KHSAA has long recommended, and continues to recommend, that medical coverage be present at all athletic practices and contests.

Due to the unique skill set of Certified/Licensed Athletic Trainers it is recommended that one of these individuals be present at all practices and contests.

It is also strongly recommended that the member schools utilize only Certified/Licensed Athletic Trainers per the Kentucky Board of Medical Licensure, and not members of any other vocation making this claim but without this legal designation.

2020 Soccer District/Regional Tournament Instructions

While acknowledging the expense of providing a Certified/Licensed Athletic Trainer, it is nonetheless noted that this shall be an integral part of your contest planning process.

EMERGENCY ACTION PLAN

Each Tournament Manager is expected to have and maintain an emergency action plan for their tournament which shall be practiced and referred to prior to the event.

Before the start of a contest, the Tournament Manager should identify themselves and establish a designated area where they can be reached in the event of an emergency.

INCLEMENT WEATHER PROCEDURES

HEAT INDEX PROGRAM

Please review the Heat Index Program posted on the KHSAA website and included as a link at the end of these instructions.

The manager should be aware of the policies and work in conjunction with the certified athletic trainer hired to work the event in monitoring the Heat Index.

LIGHTNING/THUNDER POLICY

The Tournament Manager, working with the certified athletic trainer and facility staff, shall monitor and adhere to the KHSAA Board adopted policy in regard to lightning and thunder. Play shall be suspended at the first sound of thunder or sight of lightning and shall be suspended a minimum of 30 minutes following any subsequent sound/sighting.

STOPPAGE/POSTPONEMENT

It's the duty of the Tournament Manager, in consultation with the officials, participating teams and the KHSAA, to make decisions regarding re-start or re-scheduling.

In the event of stoppage or postponement, all parties must work together to ensure that all teams, media outlets and schools are properly notified. The Tournament Manager shall also report the revisions to KHSAA Communications Director Joe Angolia (jangolia@khsaa.org) to ensure the Rihards.com/KHSAA Scoreboard is updated.

While it's imperative that Tournament Managers adhere to the scheduled postseason dates, the safety of all parties involved is always the top priority.

MEDIA AND INTELLECTUAL PROPERTY RIGHTS

GENERAL MEDIA RIGHTS

At all levels of competition during postseason play, control of media access and location at those contests is with the KHSAA, and as such, there are necessary policies and restrictions concerning this event and these provisions will be vigorously enforced.

In general, management of the execution of those assignments is assigned to the host KHSAA school's game manager.

The intellectual property, corporate, broadcasting and media rights to all postseason rounds belong exclusively to the KHSAA, including titling agreements and sponsorships.

No member school can sign an exclusive agreement for a postseason round (district, region, section, semi-state, quarterfinal) without agreement between the schools and approval from the KHSAA, including full compliance with NFHS Network restrictions and the KHSAA's participation within that network.

At all levels of KHSAA sponsored postseason events, including district, regional, semi-state, quarterfinal and state competition, managers shall make allowances for television media to record video of the contests, without play by play, at no charge as long as the sole purpose is for newscast highlights.

At all levels of KHSAA sponsored postseason events, including district, regional, semi-state, quarterfinal and state competition, managers are encouraged to make allowances for other media outlets to be admitted to the contests as long as the sole purpose is for reporting of the actions taking place at the contest and promoting the event.

Participating teams in KHSAA events shall be allowed to record the contest, for coaching purposes only, if space is available with such availability at the discretion of the tournament manager and may be required to sign a waiver indicating that the KHSAA shall be held blameless for any and all liability to those parties involved in the video recording.

2020 Soccer District/Regional Tournament Instructions

Any video recording must not violate existing, acknowledged, written copyright protection or intellectual property agreements and cannot be broadcast in any form, including internet and social media.

If space is deemed available, the tournament manager has the right to designate a specific area for video recording and no video recording will be allowed outside of that area.

The determination of space availability is solely with the tournament manager and shall be equitable for all teams.

RADIO BROADCASTS

A broadcast, as used in these instructions, is a non-video, audio only, live or delayed account, including play by play, of any contest.

The participating teams must agree on what, if any, rights fee is to be charged to a radio station broadcast team (radio or online) or outlet (radio or online) broadcasting the event.

This fee is to be included in the gross revenue prior to distribution and is payable to the host school.

TELECAST/WEBCAST INCLUDING NFHS NETWORK RESTRICTIONS

The KHSAA is a full member of the NFHS Network and as such, restrictions exist on all postseason levels.

A telecast, as used in these instructions, is a video, live or delayed account, including play by play, of any contest over the air.

A webcast, as used in these instructions, is a video, live or delayed account, including play by play, of any contest distributed using the internet.

For district and region play, a fee schedule shall be approved annually by the Commissioner for any telecast/webcast and only those outlets paying such fee in advance shall be permitted to originate a telecast or webcast. The mandated, minimum fee will be published on the KHSAA website.

For district and region play in all KHSAA sports, a majority vote of the participating schools may set a higher fee than the required minimum and such vote may also recommend to the KHSAA that no broadcast be approved.

Any approved webcast (or telecast simulcast on a website) shall require the originator to provide a link to the telecast/website not less than four hours prior to the origination of the contest, and such link shall permit the Association to add the content to the NFHS Network menu of contests.

Failure of any approved webcast (or telecast simulcast on a website) to provide a link for inclusion on the NFHS Network will result in denial of approval.

The KHSAA is the only entity permitted to produce live or delayed video from state championship events including semi-state, quarterfinal and state rounds, and is the sole authority for approval of any other.

No entity, unless given prior approval by the KHSAA shall be permitted to produce video telecasts or broadcasts, with the exception of approved media outlets solely recording highlights for news use.

No host manager or school may approve live webcast or telecast of a contest, such requests shall be referred to Communications Director of the KHSAA.

No entity, including media members, may stream live video content during postseason events including the use of social media products such as Facebook® Live and Periscope (via Twitter®).

For all postseason play, all questions regarding live or delayed broadcast or telecast policies, including requests for approval shall be referred to the Communications Director for approval by the Commissioner.

MUSIC COPYRIGHT

KHSAA schools are reminded to adhere to all music copyright laws.
