

# Soccer Referee Training Camp

Friday, July 24th

**The Camp:** This year's camp will once again be divided into two simultaneous events. Newer officials will be provided with content that focuses on their needs while veterans of three years experience or more will be in their own sessions with specific advanced content. The camp will be conducted with a variety of formats such as lecture with power point, demonstration and participation. This camp will be conducted indoors at the Kentucky High School Athletic Association office. The staff and I plan to make this a very informative but also fun few hours. Please plan to join us for this important event.

**Registration and Cancellation Policy:** The camp fee is \$55.00 which is due with the KHSAA application. The application deadline date is Friday, July 3. Late registration July 4 to July 13th is \$80. The application fee is **non-refundable** after July 10th. If notification of cancellation is received prior to that date a 50% refund will be issued.
