## MEMORANDUM

DATE: July 17, 2018

TO: Member School Superintendent, Principal, Athletic Director

FR: Julian Tackett, Commissioner  
Darren Bilberry, Assistant Commissioner

RE: 2018-2019 Title IX Review

Under the direction of the Kentucky Department of Education, the KHSAA is continuing an ongoing effort to assess Title IX compliance among all KHSAA member schools.

Approximately forty-four member schools have been identified to participate in the ongoing Title IX Review during the 2018-2019 school year. This year your school is scheduled for a Title IX revisit. The complete listing of schools is on the KHSAA website, on the Title IX page.

Plans are for our audit team to visit your school to ascertain the progress made in attaining and maintaining gender equity for male and female student-athletes. The purpose of this memorandum is to assist you in preparing for this visit by KHSAA Audit Team members.

We will consult with you regarding the specific date for a visit. The visit will consist of several components. We ask that any required information be made available and arrangements made for the activities listed in the schedule. An estimated timetable for the day of the visit is included in this letter. In addition to the Title IX and facility review, our audit team will also be verifying the presence of a written plan for athletic emergencies in compliance with KRS160.445.

Following the visit, your Superintendent, Principal, and Athletic Director, as well as your School and District Title IX Coordinators, will receive a written report describing the findings and any recommendations of the KHSAA Title IX Audit Team members, as approved by the KHSAA. The Kentucky Department of Education will be notified of any deficiencies or other notable findings as part of an annual report.

Should you have any questions about the forms or the structure of the activities, please call the KHSAA offices, (859) 299-5472, and speak with Assistant Commissioner Darren Bilberry, or email him at (dbilberry@khsaa.org).

We thank you for your participation in this Title IX Review and commend you and your Gender Equity Review Committee for making advancements in achieving parity for female and male participants. The commitment of school personnel and community members in enhancing opportunities and benefits is resulting in improved educational programs for Kentucky's student-athletes.
