## 2021 Volleyball District/Regional Tournament Instructions

### COVID-19 GUIDANCE

The KHSAA's complete "Healthy at Sports, Stage 4 - Perseverance, Guidance for Continued Practice and Competition During the Pandemic: Interscholastic Fall Sports" document can be found at the following link: <https://bit.ly/3jvElu7>

In addition to volleyball specific guidance, this document includes guidance for all sports, officials and media. The information in this document should be thoroughly reviewed by all managers, participants and spectators attending a district or regional tournament.

**REMINDER** - Anyone attending or participating in a KHSAA regular season or postseason event should review their symptoms before arriving. Those that are ill or displaying any symptoms of COVID-19 should stay home.

Guidance is broken into three areas:

- **REQUIRED**- These standards are required at all sanctioned contests.
- **RECOMMENDED**- These standards are best practices during all contests during the pandemic and are therefore recommended for all contests. In a few cases, these will be **STRONGLY RECOMMENDED**.
- **CONSIDER**- While these items are also best practices during this time, local site discretion should be exercised to determine if these items are practical and feasible for use at the contest.

All items in the document should be interpreted as "CONSIDER" for local consideration unless otherwise noted.

These differences in the guidance are necessitated by the differences in sports, facilities and geographic areas, which are pronounced during normal years and magnified this school year.

Masks/face covering information and portions of the volleyball specific section of the document are included below.

### MASKS/FACE COVERINGS

Masks/Face coverings for non-competitors and the requirements surrounding these items are a matter of local jurisdiction.

At minimum, any local or specific masking ordinance should also include a requirement for managers to post signage and make regular announcements.

#### Competitors

- Due to safety concerns, competitors who are considered to be aerobically exercising should not be required to wear masks during competition.

#### Non-Competitors

- Non-Competitors, in compliance with current KDPH and CDC guidelines are recommended to wear masks in all indoor settings unless otherwise exempted (e.g., cannot wear a mask due to disability), regardless of COVID-19 vaccination status.
- In compliance with [current KDPH K-12 education guidance](#), "In general, people do not need to wear masks when outdoors, though mask use may be considered in outdoor settings that involve sustained close contact with other people who are not fully vaccinated."

### PUBLIC HEALTH PROTOCOLS

- Each member school and event host is expected to adhere to public health standards regarding isolation and quarantine as well as the adopted Return to Play Protocol in the event of a positive test in a participant or team staff member.

### ADMINISTRATIVE AND COURT SETUP (RECOMMENDED UNLESS NOTED)

In accordance with Rule 1-6-3 allowing for state association adoption; teams will not be switching benches between sets. (REQUIRED)

- In the event there is a clear and distinct disadvantage as determined solely by the officials, teams may switch benches, observing all social distancing protocols.

Rule 3-4 - Coordinate with contest officials to limit to essential personnel which includes the home team scorer, libero tracker, and timer with a recommended distance between individuals.

Visiting team personnel (scorer, statistician, etc.) are not deemed essential personnel and may need to find an alternative location.

Rosters are restricted to a limit of 15 players in uniform and participating in warm-ups and competition.

All non-uniformed team members who are not essential to game management should be seated in the bleachers or general seating and able to socially distance from other groups.

## 2021 Volleyball District/Regional Tournament Instructions

Only team members playing in the current match can shag balls.

Separate baskets of balls for warm-ups (one basket used by the home team and one basket used by the visiting team).

Consider seating fans opposite teams benches and separated from one another to promote social distancing.

### OFFICIATING (MECHANICS)

Rules 1-2-4b; 5-4-4c; 5-5-3b (26); 9-2-3c - Move the location of the deciding set coin toss to center court with the coach and the second referee maintaining the appropriate social distance.

Rules 1-6-2; 5-4-1h - Move the location of the pre-match conference to center court with one coach and one referee positioned on each side of the net.

- All four individuals maintain a social distance;
- Limit attendees to one coach from each team, first referee and second referee; move the location.

Rules 2-1-7; 10-2-1; 10-2-3; 10-2-4 - Maintain social distancing between the second referee and the player and substitute by encouraging substitutions to occur within the substitution zone closer to the attack line.

### OFFICIATING (RULES)

Rules 4-2-1; 4-2-1i(1) - Long sleeves are permissible; Long pants are permissible.

Rules 4-2-1h (3); 4-2-1i (2) - Undergarments are permissible, but must be unadorned and of a single, solid color similar in color to the predominant color of the uniform top or bottom.

Rules 7-1-1; 7-1-1 PENALTIES 1; 9-1a; 12-2-3 - Suspend roster submission at the pre-match conference. Rosters are submitted directly to the officials' table before the 10-minute mark.

### DUTIES SUMMARY STATEMENT

You should familiarize yourself with these provisions and review them at your meetings to ensure understanding from the coaches and the management of a smooth event.

This document shall include any COVID-19 requirements or adjustments made for the event.

## 2021 Volleyball District/Regional Tournament Instructions

The winner and runner-up from each district advance to a regional tournament.

### POSTSEASON ROSTERS

Postseason participants must be designated from the freshmen, junior varsity or varsity rosters, which are maintained through the KHSAA member school website throughout the regular season.

Roster revisions must be made before the first date of the postseason when online rosters are closed and considered final.

Schools must log into the KHSAA website and designate their postseason roster, which is separate from the regular-season varsity roster.

Only players appearing on the school's postseason roster as of the first date of the postseason are eligible to participate in any round.

No additional players may be added to the roster following that deadline, including those teams that advance to the state tournament.

The online, postseason roster may be printed from the KHSAA website as the valid listing of available players.

This roster information is also used for advance preparations for state qualifying teams.

### LIMITATIONS AND SUBSTITUTIONS

Teams may dress a maximum of 15 players per contest.

Those 15 selected can rotate each match as long as they appear on the postseason roster.

No other players outside of the 15 designated as eligible for each match may be in uniform or participate in warm-ups.

All non-uniformed team members who are not essential to game management shall be seated in the bleachers or general seating and able to socially distance from other groups.

Only team members playing in the current match can shag balls.

### PROCEDURES FOR DISTRICT TOURNAMENT DRAW

Each district shall draw or place seeded teams into the appropriate bracket depending upon how many teams are in the district according to the KHSAA Competition Rules.

The District Manager is to email the bracket to [brackets@khsaa.org](mailto:brackets@khsaa.org) immediately following the draw.

The team in the upper half of the bracket in a non-seeded tournament will be the home team.

If a tournament is seeded, the highest seed shall be the home team.

### PROCEDURES FOR REGIONAL TOURNAMENT DRAW

Review the Competition Rules concerning regional drawings and adhere to that draw procedure.

The Region Manager is to email the bracket to [brackets@khsaa.org](mailto:brackets@khsaa.org) immediately following the draw.

### MINIMUM TIME BETWEEN CONTESTS - COVID-19 GUIDANCE

Per the KHSAA's "Healthy at Sports" guidance document, a recommended minimum time between the start of contests at district and regional postseason events has been established. These guidelines will also be utilized in planning KHSAA State Championship Events.

At events where more than two (2) schools are involved, it is recommended for there to be time between contests for egress of fans and participants, potential cleaning of common facilities and restrooms, as well as ingress of the teams for the next contest.

When developing brackets for volleyball, there should be a minimum of two hours between the start of contests being held on the same day. For example, if the first match of a district tournament doubleheader is scheduled for 5 p.m., the second match should not be scheduled to begin until at least 7 p.m.

District and Region Managers in volleyball are reminded to send their completed brackets to [brackets@khsaa.org](mailto:brackets@khsaa.org).

## 2021 Volleyball District/Regional Tournament Instructions

### POINTS OF EMPHASIS

#### FORMAT OF EVENT

Use of any other game ball is contractually prohibited by the KHSAA and will subject the tournament and its participants to possible penalties.

Schools or the site may provide balls for warm-up that are not the official brand or model, but once play begins, game balls must be the Baden Perfection VX5EC-210 (leather or composite) with the NFHS authenticating mark.

#### CONTEST COMPLETION REMINDER

Every contest must have a winner.

Rally scoring shall be used for all postseason play.

Match format is the best three (3) out of five (5) sets to 25 points, win by two, with no cap. The fifth set, if necessary, will be to 15 points, win by two, with no cap.

The regional/local officials' association that services the District and Region Tournament hosts will assign the respective officials.

- Tournament Managers shall work with the assigning secretary to schedule officials for the tournament (R1, R2, one (1) scorer, one (1) tracker, one (1) timer (for timeouts only) and two (2) line judges).
  - o A listing of assigning secretaries can be found on the KHSAA website and is included as a link at the end of these instructions.
  - o Contact your assigner immediately with tournament information, schedules and needs.

For the district tournaments, officials (R1, R2) shall be paid a flat fee of \$55.

For the regional tournaments, officials (R1, R2, Line Judges) shall be paid a flat fee of \$65.

- Any compensation for scorers, trackers and timers shall be determined by the participating schools.

No mileage expenses will be added for any official.

### BYLAW 22 REMINDER

#### REQUIREMENT TO ACCOMPANY TEAM MEMBERS

You are reminded that KHSAA Bylaw 22 requires a principal, coach or another approved individual of the school to be present along with any student-athlete who is representing a member school.

## 2021 Volleyball District/Regional Tournament Instructions

### SECURITY

It is the responsibility of the Tournament Manager to secure adequate police protection and other security precautions as necessary.

While many schools have adequate measures in place regarding safety and security at athletic contests, all members are reminded of the importance of this provision.

The National Federation continues to remind all state associations of the importance of member schools understanding the necessity for adequate security.

Crowd control is important and we ask schools to take every precaution to protect the athletes, fans and general public. The Tournament Manager should ensure the supervision of fans, watching for inappropriate behavior. During sportsmanship announcements, remind fans that foul language and harassment of officials is strictly prohibited.

After the match, have the officials escorted to the locker room and/or parking lot.

While acknowledging the expense of security, it is noted that this should be an integral part of your planning process and is a KHSAA requirement at postseason contests.

### MEDICAL PROVISIONS

The host school is responsible for securing medical coverage for the event, including athletic trainers and alerting local ambulance service to serve in an on-call status if such cannot be present at the competition site.

It is strongly recommended that the authorized medical coverage be staffed by individuals who can determine whether or not a suspected concussion has occurred per 160.445(3)(a) and the KHSAA Board of Control policies, page 10 of the document.

Any fees associated with providing medical coverage should be taken from gate receipts prior to any distribution.

There is no requirement that an ambulance be on site for all play, however the local administering agency shall be notified in advance and placed "on call" if an ambulance is not available on site.

The KHSAA has long recommended, and continues to recommend, that medical coverage be present at all athletic practices and contests.

Due to the unique skill set of Certified/Licensed Athletic Trainers it is recommended that one of these individuals be present at all practices and contests.

It is also strongly recommended that the member schools utilize only Certified/Licensed Athletic Trainers per the Kentucky Board of Medical Licensure, and not members of any other vocation making this claim but without this legal designation.

While acknowledging the expense of providing a Certified/Licensed Athletic Trainer, it is nonetheless noted that this shall be an integral part of your contest planning process.

### EMERGENCY ACTION PLAN

Each Tournament Manager is expected to have and maintain an emergency action plan for their tournament which shall be practiced and referred to prior to the event.

Before the start of a contest, the Tournament Manager should identify themselves and establish a designated area where they can be reached in the event of an emergency.

### INCLEMENT WEATHER PROCEDURES

#### STOPPAGE/POSTPONEMENT

It's the duty of the Tournament Manager, in consultation with the officials, participating teams and the KHSAA, to make decisions regarding re-start or re-scheduling.

In the event of stoppage or postponement, all parties must work together to ensure that all teams, media outlets and schools are properly notified. The Tournament Manager shall also report the revisions to KHSAA Communications & Social Media Director Dan White ([dwhite@khsaa.org](mailto:dwhite@khsaa.org)) to ensure the Rihards.com/KHSAA Scoreboard is updated.

While it's imperative that Tournament Managers adhere to the scheduled postseason dates, the safety of all parties involved is always the top priority.

## 2021 Volleyball District/Regional Tournament Instructions

### MEDIA AND INTELLECTUAL PROPERTY RIGHTS

#### GENERAL MEDIA RIGHTS

At all levels of competition during postseason play, control of media access and location at those contests is with the KHSAA, and as such, there are necessary policies and restrictions concerning this event and these provisions will be vigorously enforced.

In general, management of the execution of those assignments is assigned to the host KHSAA school's game manager.

The intellectual property, corporate, broadcasting and media rights to all postseason rounds belong exclusively to the KHSAA, including titling agreements and sponsorships.

No member school can sign an exclusive agreement for a postseason round (district, region, section, semi-state, quarterfinal) without agreement between the schools and approval from the KHSAA, including full compliance with NFHS Network restrictions and the KHSAA's participation within that network.

At all levels of KHSAA sponsored postseason events, including district, regional, semi-state, quarterfinal and state competition, managers shall make allowances for television media to record video of the contests, without play by play, at no charge as long as the sole purpose is for newscast highlights.

At all levels of KHSAA sponsored postseason events, including district, regional, semi-state, quarterfinal and state competition, managers are encouraged to make allowances for other media outlets to be admitted to the contests as long as the sole purpose is for reporting of the actions taking place at the contest and promoting the event.

Participating teams in KHSAA events shall be allowed to record the contest, for coaching purposes only, if space is available with such availability at the discretion of the tournament manager and may be required to sign a waiver indicating that the KHSAA shall be held blameless for any and all liability to those parties involved in the video recording.

Any video recording must not violate existing, acknowledged, written copyright protection or intellectual property agreements and cannot be broadcast in any form, including internet and social media.

If space is deemed available, the tournament manager has the right to designate a specific area for video recording and no video recording will be allowed outside of that area.

The determination of space availability is solely with the tournament manager and shall be equitable for all teams.

A freelance/commercial photographer is any person, including a school employee, not representing an established media outlet or a person who will capture images from the event and re-sell them to anyone, including team members, the families or the general public.

#### COVID-19 MEDIA RESTRICTIONS AND CONSIDERATIONS

Media access may be limited, especially if there are capacity limits.

Establish a limit on the number of credentialed media members at each event (number of passes per outlet, priority to those who regularly cover, home/visitor split, etc.).

Encourage media members to RSVP in advance of the event so that you can allocate space accordingly and grant access to any media on a "waiting list."

No non-working individual may be in the working press area, including spouses, family members, and others.

Interview opportunities may be limited during the week.

Disseminate as much information online as possible (limit handouts).

Limit field access to working media members only (those who are actively performing work assignments).

Incorporate easily identifiable credentials to ensure only authorized personnel are in restricted areas.

If radio space is limited to the home team, try to facilitate a shared feed of the home team's broadcast if possible.

Interviews should only be conducted if social distancing protocols can be followed.

Be mindful that no agreement can be made exclusive per adopted regulation, which precludes an audio broadcast by the visiting team.

#### RADIO BROADCASTS

A broadcast, as used in these instructions, is a non-video, audio only, live or delayed account, including play by play, of any contest.

## 2021 Volleyball District/Regional Tournament Instructions

The participating teams must agree on what, if any, rights fee is to be charged to a radio station broadcast team (radio or online) or outlet (radio or online) broadcasting the event.

This fee is to be included in the gross revenue prior to distribution and is payable to the host school.

### TELECAST/WEBCAST INCLUDING NFHS NETWORK RESTRICTIONS

The KHSAA is a full member of the NFHS Network and as such, restrictions exist on all postseason levels.

A telecast, as used in these instructions, is a video, live or delayed account, including play by play, of any contest over the air.

A webcast, as used in these instructions, is a video, live or delayed account, including play by play, of any contest distributed using the internet.

For district and region play, a fee schedule shall be approved annually by the Commissioner for any telecast/webcast and only those outlets paying such fee in advance shall be permitted to originate a telecast or webcast. The mandated, minimum fee will be published on the KHSAA website.

For district and region play in all KHSAA sports, a majority vote of the participating schools may set a higher fee than the required minimum and such vote may also recommend to the KHSAA that no broadcast be approved.

Any approved webcast (or telecast simulcast on a website) shall require the originator to provide a link to the telecast/website not less than four hours prior to the origination of the contest, and such link shall permit the Association to add the content to the NFHS Network menu of contests.

Failure of any approved webcast (or telecast simulcast on a website) to provide a link for inclusion on the NFHS Network will result in denial of approval.

The KHSAA is the only entity permitted to produce live or delayed video from state championship events including semi-state, quarterfinal and state rounds, and is the sole authority for approval of any other.

No entity, unless given prior approval by the KHSAA shall be permitted to produce video telecasts or broadcasts, with the exception of approved media outlets solely recording highlights for news use.

No host manager or school may approve live webcast or telecast of a contest, such requests shall be referred to Communications Director of the KHSAA.

No entity, including media members, may stream live video content during postseason events including the use of social media products such as Facebook® Live and Periscope (via Twitter®).

For all postseason play, all questions regarding live or delayed broadcast or telecast policies, including requests for approval shall be referred to the Communications Director for approval by the Commissioner.

### MUSIC COPYRIGHT

KHSAA schools are reminded to adhere to all music copyright laws.

### EVENT MERCHANDISE

If desired by the Region Manager, TEAM IP (Official KHSAA Merchandise Vendor) may be contacted about ordering event merchandise to be sold at the regional tournament.

Contact the KHSAA for more information or indicate accordingly on the Regional Manager Information form.

- Have clearly defined protocols for social distancing between the team groups and the presenters during the presentations.
- Awards should be placed at a "neutral" location away from the teams.
- The trophy presenter should deliver the trophies and other awards to the team representatives in the gathering area and not permit teams to gather near the original awards location.

#### Alternative Two

- Leave trophies boxed and allow the winning and runner-up coach to pick them up one at a time as they leave the facility.
- Have any photos or gatherings outside of the facility.

### INSTRUCTIONS FOR TEAMS ADVANCING

## FINANCES

### TOURNAMENT FINANCIAL REPORT

All District and Region Managers must submit a financial report at the conclusion of their respective tournaments by filling out either KHSAA Form GE52 (District Tournament Financial Report) or GE53 (Regional Tournament Financial Report) and submitting it to Mr. Cope ([bcope@khsaa.org](mailto:bcope@khsaa.org)).

The forms, included as links at the end of these instructions, must be received no later than three (3) weeks following the tournament.

### TOURNAMENT COSTS

Finances and expenses are handled by the host school within policies adopted by the member schools. As you plan for your event, be mindful of the cost of officials, trophies and medals.
