GENERAL WINTER EVENT INSTRUCTIONS

COVID-19 GUIDANCE

The KHSAA's complete "Healthy at Sports, Stage 5 - Partnering for Progress, Guidance for Continued Practice and Competition during the Pandemic" document can be found at the following link: [COVID GUIDANCE](#)

In addition to specific guidance, this document includes guidance for all sports, officials and media. The information in this document should be thoroughly reviewed by all managers, participants and spectators attending a district or regional tournament.

REMINDER - Anyone attending or participating in a KHSAA regular season or postseason event should review their symptoms before arriving. Those that are ill or displaying any symptoms of COVID-19 should stay home.

Some differences in the guidance are necessitated by the differences in sports, facilities and geographic areas, which are pronounced during normal years and magnified this school year.

MASKS/FACE COVERINGS

Masks/Face coverings for non-competitors and the requirements surrounding these items are a matter of local jurisdiction.

At minimum, any local or specific mask-requiring ordinance should also include a requirement for managers to post signage and make regular announcements.

COMPETITORS

Due to safety concerns, competitors who are considered to be aerobically exercising should not be required to wear masks during competition.

WATER - COVID-19 GUIDANCE

Coaches and athletes are reminded to bring their own water bottles as no community dispensers can be used.

PUBLIC HEALTH PROTOCOLS

Each member school and event host is expected to adhere to public health standards regarding isolation and quarantine as well as the adopted Return to Play Protocol in the event of a positive test in a participant or team staff member.

The host is responsible for adherence to COVID-19 guidelines in accordance with normal home site procedures.

DUTIES SUMMARY STATEMENT

Refer to the Kentucky High School Athletic Association Handbook rules and regulations governing wrestling tournaments, which is included as a link at the end of these instructions.

You should familiarize yourself with these provisions and review them at your meetings to ensure understanding from the coaches and the management of a smooth event.

Any required forms for your reports are included at the end of these instructions as links.

KHSAA CONTACT LIST

The primary contact for wrestling is Assistant Commissioner Joe Angolia (jangolia@khsaa.org).

If Mr. Angolia is for some reason not available, Assistant Commissioner Darren Bilberry (dbilberry@khsaa.org) is the backup contact.

REFERENCE TO TEAM ALIGNMENT

Qualifying participants are aligned into two first-round events, with Regions 1-4 competing in one event and Regions 5-8 squaring off in the other.

Only individuals advancing from regional tournaments will enter the First Round State Tournament.

PRE-TOURNAMENT MANAGER'S RESPONSIBILITIES

CONTACT PARTICIPATING SCHOOLS

2023 Wrestling State First Round Tournament Instructions

Contact all schools in your meet about schedule, logistics and admission information.

DEVELOPMENT OF INFO DOCUMENT FOR PARTICIPANTS

Develop an information document for participants, including the schedule of events, any on-site meeting information, site specifics and directions to the venue.

HOST SITE ADMINISTRATOR

The KHSAA requires a tournament administrator, other than the coach, at the host site.

Since coaches need to devote full attention to the team, someone other than the coach should be the tournament administrator.

Unsporting conduct by spectators is a growing concern and the presence of a contest supervisor sends the message that such behavior will not be tolerated.

OUTSIDE PROVIDERS/VENDORS

Contact security and other outside providers/vendors and ensure that all other pre-tournament functions are complete.

Any vendors desired by the manager must be approved by the KHSAA as this is an official round(s) of the state championship event.

VENUE LOGISTICS

SIGNAGE, BALLOONS, NOISEMAKERS AND BAND PERFORMANCES

Signs/banners are permitted at the facility but must be of good taste and sportsmanship.

The signs/banners must be handheld or attached in a manner not to damage the existing structure.

The signs/banner shall not cover any corporate signage or obstruct the view of patrons.

Amplified noisemakers or items that replicate game management cues are not permitted inside the facility. These items include, but are not limited to: air horns, electronic amplifiers, portable sound systems, instruments that require additional electricity, game clock horns and whistles.

Artificial noisemakers (non-mechanical and non-powered) are permitted provided they do not interfere with game administration, however, the admittance of the items is a venue specific decision.

Balloons, which can block the view of other patrons, are not permitted at the event.

Only venue provided amplified music and band performances are permissible, but only during pregame, natural and planned breaks/timeouts and when the clock is stopped and wrestlers are not competing.

Admitted bands are permitted to play during warm-ups and time outs, but not while the wrestlers are competing.

SECURITY

It is the responsibility of the Tournament Manager and host site to secure adequate police protection and any other security precautions as necessary inside and outside the venue, in accordance with the security practices policy in the KHSAA handbook.

VENUE SAFETY

Persons who attend sporting events may be injured as a result of the risks inherent in being a spectator.

The Tournament Manager, along with the host site, shall make every effort to ensure that the facility is safe for fans, participants, officials, and others who may attend the contest.

LODGING

Coaches will arrange lodging for their contestants if needed.

Schools are responsible for all travel expenses, including lodging, for participation in the event.

BYLAW 22 REMINDER

REQUIREMENT TO ACCOMPANY TEAM MEMBERS

You are reminded that KHSAA Bylaw 22 requires a principal, coach or another approved individual of the school to be present

along with any student-athlete who is representing a member school.

SPORTSMANSHIP

The KHSAA requires officials to enforce sportsmanship rules.

High school athletics emphasize positive values and all parties have worked hard to create a sense of teamwork, respect, responsibility and perspective. We encourage and appreciate your help in letting this competition reflect mutual respect among all participants and officials.

We remind you that officials expect good behavior and will quickly penalize misconduct.

No one outside of the team is to come onto the competition area. Fans are to stay in the stands before, during and after the event.

Please make announcements to this effect to the student body during the week before play.

In the event this occurs, a school will be fined or there will be a reduction in a team's expense reimbursement (if applicable).

Damage to the facility directly attributed to the fans of a particular school will result in a fine or a reduction to team reimbursement as well (if applicable).

SECURITY

It is the responsibility of the Tournament Manager to secure adequate police protection and other security precautions as necessary.

While many schools have adequate measures in place regarding safety and security at athletic contests, all members are reminded of the importance of this provision.

The National Federation also continues to remind all state associations of the importance of member schools understanding the necessity for adequate security.

Crowd control is important and we ask schools to take every precaution to protect the athletes, fans and general public. The Tournament Manager should ensure the supervision of fans, watching for inappropriate behavior. During sportsmanship announcements, remind fans that foul language and harassment of officials is strictly prohibited.

After the event, have the officials escorted to the locker room and/or parking lot.

While acknowledging the expense of security, it is noted that this should be an integral part of your planning process and is a KHSAA requirement at postseason contests.

MEDICAL PROVISIONS

The host school is responsible for securing medical coverage for the event, including athletic trainers and alerting local ambulance service.

A physician and/or ambulance should be in place in the event of an emergency, as well as an emergency plan for the transportation of injured athletes.

This information should be communicated to all competing schools.

Managers are also advised to have additional copies of KHSAA Form WR111 in case a physician's review of a skin condition is needed. That form is included as a link at the end of these instructions.

It is strongly recommended that the authorized medical coverage be staffed by individuals who can determine whether or not a suspected concussion has occurred per 160.445(3)(a) and the KHSAA Board of Control policies.

Any fees associated are to be taken from gate receipts.

It is also strongly recommended that a physician be in place during the weigh-ins to assist with determinations regarding skin conditions and fitness to wrestle in order to remove that duty from the meet officials.

It is strongly recommended that you provide a health care professional (on site) during the tournament to help with first response situations.

EMERGENCY ACTION PLAN

Each Tournament Manager is expected to have and maintain an emergency action plan for their tournament which shall be practiced and referred to prior to the event.

2023 Wrestling State First Round Tournament Instructions

Before starting matches, the Tournament Manager should identify themselves and establish a designated area where they can be reached in the event of an emergency.

MEDIA AND INTELLECTUAL PROPERTY RIGHTS

GENERAL MEDIA RIGHTS

At all levels of competition during postseason play, control of media access and location at those contests is with the KHSAA, and as such, there are necessary policies and restrictions concerning this event and these provisions will be vigorously enforced.

In general, management of the execution of those assignments is assigned to the host KHSAA school's game manager.

The intellectual property, corporate, broadcasting and media rights to all postseason rounds belong exclusively to the KHSAA, including titling agreements and sponsorships.

No member school can sign an exclusive agreement for a postseason round (district, region, section, first, second, quarterfinal) without agreement between the schools and approval from the KHSAA, including full compliance with NFHS Network restrictions and the KHSAA's participation within that network.

At all levels of KHSAA sponsored postseason events, including district, regional, first round, second round, quarterfinal and state competition, managers shall make allowances for television media to record video of the contests, without play-by-play, at no charge as long as the sole purpose is for newscast highlights.

At all levels of KHSAA sponsored postseason events, including district, regional, first round, second round, quarterfinal and state competition, managers are encouraged to make allowances for other media outlets to be admitted to the contests as long as the sole purpose is for reporting of the actions taking place at the contest and promoting the event.

Participating teams in KHSAA events shall be allowed to record the contest, for coaching purposes only, if space is available with such availability at the discretion of the tournament manager and may be required to sign a waiver indicating that the KHSAA shall be held blameless for any and all liability to those parties involved in the video recording.

Any video recording must not violate existing, acknowledged, written copyright protection or intellectual property agreements and cannot be broadcast in any form, including internet and social media.

If space is deemed available, the tournament manager has the right to designate a specific area for video recording and no video recording will be allowed outside of that area.

The determination of space availability is solely with the tournament manager and shall be equitable for all teams.

A freelance/commercial photographer is any person, including a school employee, not representing an established media outlet or a person who will capture images from the event.

SCHOOL MEDIA CREDENTIALS

Each school is permitted one (1) school media pass at KHSAA State Championship events, valid only for a student or full-time school employee, for the sole purpose of reporting the events for school internal publications.

Space permitting, school media may be granted floor access consistent with traditional media access.

Outside entities such as professional photographers, videographers or parents may not utilize the school media pass.

The school media pass may not be used for taking pictures that will later be sold as these individuals need to apply for a freelance/commercial photographer pass and pay the requisite fee.

This pass must be requested in advance of the start of the event through the online system using Form SI103 which is included as a link at the end of these instructions.

RADIO BROADCASTS

A broadcast, as used in these instructions, is a non-video, audio only, live or delayed account, including play-by-play, of any contest.

The participating teams must agree on what, if any, rights fee is to be charged to a radio station broadcast team (radio or online) or outlet (radio or online) broadcasting the event.

This fee is to be included in the gross revenue prior to distribution and is payable to the host school.

TELECAST/WEBCAST INCLUDING NFHS NETWORK RESTRICTIONS

The KHSAA is a full member of the NFHS Network and as such, restrictions exist on all postseason levels.

2023 Wrestling State First Round Tournament Instructions

A telecast, as used in these instructions, is a video, live or delayed account, including play-by-play, of any contest over the air.

A webcast, as used in these instructions, is a video, live or delayed account, including play-by-play, of any contest distributed using the internet.

For district and region play, a fee schedule shall be approved annually by the Commissioner for any telecast/webcast and only those outlets paying such fee in advance shall be permitted to originate a telecast or webcast. The mandated, minimum fee will be published on the KHSAA website.

For district and region play in all KHSAA sports, a majority vote of the participating schools may set a higher fee than the required minimum and such vote may also recommend to the KHSAA that no broadcast be approved.

Any approved webcast (or telecast simulcast on a website) shall require the originator to provide a link to the telecast/website not less than 24 hours prior to the origination of the contest, and such link shall permit the Association to add the content to the NFHS Network menu of contests.

Failure of any approved webcast (or telecast simulcast on a website) to provide a link for inclusion on the NFHS Network will result in denial of approval.

The KHSAA is the only entity permitted to produce live or delayed video from state championship events including first round, second round, quarterfinal and state rounds, and is the sole authority for approval of any other.

No entity, unless given prior approval by the KHSAA shall be permitted to produce video telecasts or broadcasts, with the exception of approved media outlets solely recording highlights for news use.

No host manager or school may approve live webcast or telecast of a contest, such requests shall be referred to Media Relations and Publications Director of the KHSAA.

No entity, including media members, may stream live video content during postseason events including the use of social media products such as Facebook® Live.

For all postseason play, all questions regarding live or delayed broadcast or telecast policies, including requests for approval shall be referred to the Media Relations and Publications Director for approval by the Commissioner.

MUSIC COPYRIGHT

KHSAA schools are reminded to adhere to all music copyright laws.

EVENT MERCHANDISE

TEAM IP (Official KHSAA Merchandise Vendor) will be on-site with merchandise to be sold at the state first round.
